

Floorplan (Coachella 25-04-08)

Tegan and Sara

I want to draw you a floorplan of my head and heart
I want to give directions helpful hints What you will be looking for
What you will be looking for I know, I hold this loss in my heart forever
I know, I hold I hold
I know, I hold this loss in my heart forever
I know, I hold I hold All eyes are on me now
All eyes are on me now I want your lungs to stop working without me
I think about writing you, I thought about calling you
What was I looking for
What am I looking for I know, I hold this pain in my heart forever
I know, I hold I hold
I know, I hold this pain in my heart forever
I know, I hold I hold All eyes are on you now
All eyes are on me now
I shouldn't go but I can't really help it when I feel this pressure
I shouldn't go but I can't really help it when I feel this pressure All eyes are on me now
All eyes are on me now
All eyes are on me now
All eyes are on me now I shouldn't go but I can't really help it when I feel this pressure
I shouldn't go but I can't really help it when I feel this pressure I shouldn't go when I feel this building
I shouldn't go when I feel this building I shouldn't go but I can't really help it when I feel this pressure
