Lonesome Valley

Jack Garratt

Got to go, to that whole survive oh
Perth is raining sick
Referee
If out sick
Let me go
Where is you, I'm stick at yours
I got to go
To that lonesome valley
I got to go
To that lonesome valley
Nobody knows
I got to go
If i breath
My frying cold bess
Let me go
Alone to verse
I got to go
To that lonesome valley
I got to go
To that lonesome valley
Nobody knows
I got to go
To that lonesome valley
Got to...
Got to, go...
Got to, nobody else
Nobody, to that lonesome valley
Got to go... I got to go
To that lonesome valley. Nobody knows
I got to go...
Got to go
To that lonesome valley
