

# Roll On Down the Highway

## D.J. In the Night

We rented a truck and a semi to go  
Travel down the long and winding road  
Look at the map, I think we've been here before  
Close all the doors, let's roll once moreCop on the corner, look he's startin' to write  
I don't need no ticket so I screamed out of sight  
Drove so fast that my eyes can't see  
Look in the mirror, is he still followin' me?Let it roll down the highway  
Let it roll down the highway  
Roll, rollLook at the sign, we're in the wrong place  
Move out boys, let's get ready to race  
454 coming over the hill  
The man on patrol is going to give us a billThe time's real short, you know the distance is long  
I'd rather have a jet but it's not in the song  
Climb back in the cab, cross your fingers for luck  
We gotta keep movin' if we're gonna make a buckLet it roll down the highway  
Let it roll down the highway  
Roll, rollLet it roll, let it roll  
Let it roll, let it rollLet it roll down the highway  
Let it roll down the highway  
Roll, rollRoll down the highway  
Let it roll down the highway  
Roll, roll, rollLet it roll down the highway  
Let it roll down the highway  
Roll, roll, roll
