Someone New

Hozier

Don't take this the wrong way
You knew who I was with every step that I ran to you
Only blue or black days
Electing strange perfections in any stranger I chooseWould things be easier if there was a right way
Honey there is no right wayAnd so I fall in love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bit
Every day with someone newThere's an art to life's distractions
To somehow escape the burning weight
The art of scraping through
Some like to imagine
The darker is of someone else I guess any thrill will doWould things be easier
If there was a right way,Â honey there is no right wayAnd so I fall in love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone newI wake,Â at the first cringe of morning
And my heart's already sinned
How pure how sweet the love beneath it yeah
You would pray for him'Cause God knows I fall
In love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every dayÂ Love with every stranger, the stranger the better

Love with every stranger, the stranger the better
Love with every stranger, the stranger the better
Love with every stranger, the stranger the betterAnd so I fall in love just a little ol' little bit
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
I fall in love just a little ol' little bitÂ
Every day with someone new
