

Knock Down

[Alesha Dixon](#)

When I lay it all out on the table
Don't know what is stopping me
From feeling like I might be able
To enjoy my own company Sitting up by my window
Watching the summer rain
The world is moving faster
Than I am in it today Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on Speed it up now
Woo woo woo woo
Knockdown
Everybody in the place say what now Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now Ohh, yeah, I got the feeling
That something could happen now
Ohh, I got the feeling
That something could happen
Inside my life now And have you ever asked
Why you've been here before
'Cause only you have the power
To carry on through that door Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now Woo woo woo woo
Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out but ya gotta carry on
Speed it up now
