Who Is Your Daddy, And What Does He Do?

Austrian Death Machine

I've been dreaming every night about strangling all of you
I need some answers now
I ask you a question, you must answer
I want to know who he is
You need to tell me
I can't take this anymore
If you don't give me answers
I'm going to chop you into little pieces
Hotwheels, miniature t rains, Tinker Toys, I'll burn you all down
Now we are going to do
Something extremely fun
hwoww yeah!
We're going to play a ....
let's play a game!
A wonderful game called...
Who is your daddy ?
Who is your daddy, and what does he do?
Who is your daddy, and what does he do?
Does he fix cars that women crash?
Or does he live in New York and drive a cab?
Some of your daddies ....
Just work a normal boring, desk, job
But one of them is a drug dealer, and I am really a cop
Who is your daddy, and what does he do?
Who is your daddy, and what does he do ?
Does he fix cars that women crash?
Or does he live in New York and drive a cab?
Wow yeah!
Who is your daddy, and what does he do [x4]
