

If You Were Me (feat. Elton John)

Chris Rea

If you were me
And I was you
If you had to play my part out
What would you do Two crazy stories,
Two different views
If you were me
And I was you If you were me
And I was you
What kind of crazy things
Would I have to do Who likes to party
Who stays at home
If you were me
And I was you Never like strangers
Though never the same
Two circus side-shows
And laughter in the rain You stay with the full moon
You search for the stars
Thank God it's heaven
Here we both are If you were me
And I was you
If you had to play my part out
What would you do Two crazy stories,
Two different views
If you were me, if you were me
If you were me and I was you
