

Playing The Part

Jamey Johnson

Taking a dip on the Sunset Strip in the mornin'
Ain't nothing like the smell of tofu and high dollar wine
They said maybe all of them cars locking down the I-5
 Yeah I find it amazing these rats I've been chasing
Are helping me remember a timeWhen the only LA I knew was lower Alabama
 Back when me and Hannah was wishing on a southern star
 Now its so complicated, I really hate it,
 Why'd I ever want to go so far
 Taking depression pills in the Hollywood Hills
Acting like I'm playing the partAll this gripping and grinning, losing and winning, and running
 And promises break like an egg on the hot asphalt
 What the hell was I thinking, drinking like I'd never get caught
 These high dollar women, and the fame
And the fortune, ain't worth the ticket I boughtWhen the only LA I knew was lower Alabama
 Back when me and Hannah was wishing on a southern star
 Now its so complicated, I really hate it,
 Why'd I ever want to go so far
 Taking depression pills in the Hollywood Hills
 Acting like I'm playing the part
 Taking depression pills in the Hollywood Hills
 Acting like I'm playing the part
