Wheels

Toby Lightman

We've all got wheels to take ourselves away We've got telephones to say what we can't say We all got higher and higher every day So come on wheels, take this boy away We're not afraid to ride We're not afraid to die So come on wheels, take this boy away Come on wheels, take this boy today When I feel that my time is almost up And destiny is in my right hand I'll turn to him who makes my faith so strong Come on wheels, make this boy a man We're not afraid to ride We're not afraid to die So come on wheels, take this boy away Come on wheels, take this boy today Come on wheels, take this boy today
