I Can Tell

Warren K. Smith

You ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
No, no, no, you ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
Now you ain't gotta say much 'cuz I was peepin' you
Lookin at yo hips got me thinkin'
'Bout how deep in you I'm tryin' to go
You heard about No Limit Soldiers?
We get up in it and hit it harder then De La Hoya
I thought I told you soldier draws cover my balls
I'm known for rippin' the pussy walls
I heard you got that kill, I can see all in yo grill
Can you ride me like a black Mercedes
And make me do that shit I never did with other ladies?
I got a woman so I'm not lookin' for love
I just learned to fit yo glove get a couple of uh-uh's
In your mouth just like a thug
And uh, hit me on my pager if you want it
It's soldier passion so get up on it if you want it, whoa-whoa
You ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
No, no, no, you ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
Put me on the counter in the kitchen
Now, baby pour my body with some ice cream
Lick me from head to toe bending me over, 69'll be the next thing
I wanna taste your body all night long
From sun up to sun down I wanna make you moan
You ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo

Just as bad as you wanna fuck I wanna fuck too
No, no, no, you ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
Can I light a candle and kiss you in the places light won't show?
I'll take my time and do it slow
I'll do my own exercises, right between your thighs
It's so very pleasural, I'll go places he won't go
Let's keep it on the low-low, so he won't know
Now let's take it to the floor
You ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
No, no, no, you ain't gotta say too much
From the look in your eyes I can tell you want to fuck
And you ain't gotta call me your boo
Just as bad as you wanna fuck I wanna fuck too
