

These Arms of Mine

[Otis Redding](#)

These arms of mine they are lonely
Lonely and feeling blue, these arms of mine
They are yearning, yearning from wanting you And if you would let them hold you
Oh, how grateful I will be These arms of mine they are burning
Burning from wanting you, these arms of mine
They are wanting, wanting to hold you And if you would let them hold you
Oh, how grateful I will be Come on, come on baby,
Just be my little woman, just be my lover
I need me somebody, Somebody to treat me right
I need your arms, loving arms to hold me tight
and I need, I need your tender lips
