Oh Girl

Raphael Saadiq

You know you saved me from myself
You knew I needed help
Now many girls consume my time
And all of this hurts my life and there you were
Oh girl, oh girl
Oh girl, oh girl
Oh girl, oh girl
You changed my world
Oh girl, oh girl
Oh girl, oh girl
Oh girl, oh girl
I promise I won't let you down
I'm gonna make you so proud
I promise I won't let you down
I'm gonna make you so proud
I'll keep you heart next to mine
And I'll be everything you need, believe me girl
Oh girl, oh girl
Oh girl, oh girl
Oh girl, oh girl
You changed my world
Oh girl, oh girl
Oh girl, oh girl
Oh girl, oh girl
You changed my world
Oh girl
You changed my world
Oh girl
And I love you girl
Oh girl
Oh, how can I repay you?
You changed my world
Oh girl
You changed my world
Oh girl
