The New High

Truckfighters

The new high Opposition will claim
It is the highest of the rates, of mistakes.
That's kind of strange all the people are lame
I didn't know that the truth is so blindThat day they changed their opinion of mind
one day to another no longer godsend
now they standing on the barricades who will they findAll the who lost their lives for nothing
All the hands of the families they are reaching
Far from them all they cannot win
There's no one left to stop you from preachin'
That day they changed their opinion of mind
one day to another no longer godsend
now they standing on the barricades who will they find
