

# No One But You (Only the Good Die Young)

## Queen

A hand above the water  
An angel reaching for the sky  
Is it raining in Heaven  
Do you want us to cry?

And everywhere the broken hearted  
On every lonely avenue  
No one could reach them  
No one but you

One by one  
Only the good die young  
They're only flying too close to the sun  
And life goes on  
Without you

Another tricky situation  
I get the drownin' in the Blues  
And I find myself thinkin'  
Well, what would you do?

Yes, it was such an operation  
Forever paying every due  
Hell, you made a sensation  
You found a way through

One by one  
Only the good die young  
They're only flyin' too close to the sun  
We'll remember  
Forever

And now the party must be over  
I guess we'll never understand  
The sense of your leaving  
Was in the way it was planned?

And so we grace another table  
And raise our glasses one more time  
There's a face at the window

And I ain't never, never sayin' goodbye

And it's one by one  
Only the good die young  
They're only flyin' too close to the sun  
Cryin' for nothing  
Cryin' for no one  
No one but you
