Sperratus

Barclay James Harvest

Look in my eyes
See the light of the universe
I'm man, born of God
Not a clown in disguiseMy skin is bronze, my hair is gold
The power within me lights the way
To wealth and fame
All in my name, the final goalShout it, shout it, shout it out loud
Sing it, sing it, sing to the crowd
Call out, call out, call out from afar
Make them, make them, make you superstarLook in my face, see the light
Of a thousand stars shine bright
In the night, as I step
From the stageDon't burn your hands on my skin
You can't touch what's deep within
That's my soul
Reaching my final goalShout it, shout it, shout it out loud
Sing it, sing it, sing to the crowd
Call out, call out, call out from afar
Make them, make them, make you superstar
