

# Gangrene

## Utopia

If it's dangerous illegal, sick, strange, or obscene  
You can get it from the man if your money is green  
He says, "You can have it"

Knows once you get it you won't be satisfiedBut the things that my brothers try to do to their brains  
The thought makes my blood begin to boil in my veins

But it's a case of we want it right when we want it  
They can't be satisfiedOh no gangrene, dying one inch at a time

Gangrene, you sell your freedom by minutes  
Flesh by the poundI got a mind of my own and I need to enjoy  
Something that the mercenaries can't destroy  
I don't know where to find it but till I get it  
I can't be satisfiedSo we take to the road like a thief on the run  
Regroup underground and find our own kind of fun  
But seems whenever we find it

Somebody buys it we can't be satisfiedOh no gangrene, dying one inch at a time  
Gangrene, that's all the vampires leave behindNow think, fifty million kids with nothing better to do  
Than sit around like a zombie and stare at the tube  
They'll sap your strength and suck your soul and feed you the trash  
Till your mind is left blank and your dreams have been smashedGangrene, dying one inch at a time

Gangrene, you sell your freedom by minutes  
Flesh by the poundGangrene, dying one inch at a time  
Got a bad piece of Gangrene  
That's all the vampires leave behindGangrene, yeah gangrene  
Got a bad piece of Gangrene  
Yeah gangrene, got a bad piece of Gangrene  
Yeah gangrene[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]
