All Cried Out

Allure

All alone on a Sunday morning
Outside I see the rain is falling
Inside I'm slowly dying
But the rain will hide my crying, crying, crying
And you, don't you know my tears will burn the pillow
Set this place on fire 'cause I'm tired of your lie
All I needed was a simple, "Hello"
But the traffic was so noisy that you could not hear me cry
I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you, you leave me so confused
Now I'm all cried out, over you
Ooh, crying over you, over you, yeah
Never wanted to see things your way
Had to go astray for why was I such a fool
Now I see that the grass is greener
Is it too late for me to find my way home
How could I be so wrong, yeah?
Leaving me all alone
Don't you know my tears will 'cause an inferno
Romance of these flames, why should I take the blame?
You were the one who left me neglected, apology not accepted
At me to the broken hearts you've collected
I gave you all of me
How was I to know, you would weaken so easily
I, I don't know what to do
Now I'm all cried out over you
I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you, you left me so confused
Now I'm all cried out
Now I'm all cried out, over you
Please forgive me
Please forgive me, oh
Please forgive me
