

# Hooked

## Dylan Scott

[Verse 1]

It was a Friday night

The cover of that cover band was sounding right

But there you were

Just flirty dancing

By the neon sign

To fishing in the dark and

Reeling in my heart

And I look where you are[Pre-Chorus]

I'm hooked on kissing and getting

Getting you turned on

Buzzing and loving on you

All night long

Like a hit song on the radio

You already know the way it goes

All it took was a look and[Chorus]

I was hooked on

The way that you taking

Taking my shirt off

And running my fingers

Through your long blonde

Hair falling in your eyes

Like the first time they caught mine

All it took was a look and I was hooked[Verse 2]

It's Saturday

Still asleep and I keep leaving

No way

This ain't a one night fling kinda thing

Wanna wake you up

Wanna press my luck

And my lips on your cheek

Like I can't enough cause[Pre-Chorus]

I'm hooked on kissing and getting

Getting you turned on

Buzzing and loving on you

All night long

Like a hit song on the radio

You already know the way it goes

All it took was a look and[Chorus]

I was hooked on  
The way that you taking  
    Taking my shirt off  
    And running my fingers  
    Through your long blonde  
    Hair falling in your eyes  
    Like the first time they caught mine  
All it took was a look and I was hooked[Pre-Chorus]  
    I'm hooked on kissing and getting  
        Getting you turned on  
        Buzzing and loving on you  
        All night long  
        Like a hit song on the radio  
    You already know the way it goes  
All it took was a look and[Chorus]  
    I was hooked on  
        The way that you taking  
        Taking my shirt off  
        And running my fingers  
        Through your long blonde  
        Hair falling in your eyes  
    Like the first time they caught mine  
All it took was a look and I was hooked
