

Your Touch

[Santana](#)

My mind runs away with me

I just want to be with you

Where? Where I don't care

To be next to you

To be by your side[Chorus]

I, I, Oh I

I just want to get next to you

I, I, Oh I

I just want to get next to youMy mind will not leave me alone

Can't sleep, I just want to be with you

Your touch is all I need

Your touch is all I need

To see me through[Chorus]
