

# Shower the People (Edit)

James Taylor

You can play the game and you can act out the part  
Though you know it wasn't written for you  
But tell me, how can you stand there with your broken heart  
Ashamed of playing the fool  
One thing can lead to another; it doesn't take any sacrifice  
Oh, father and mother, sister and brother  
If it feels nice, don't think twice Shower the people you love with love  
Show them the way that you feel  
Things are gonna work out fine if you only will, as I said  
Shower the people you love with love  
Show them the way you feel  
Things are gonna be much better if you only will You can run but you cannot hide  
This is widely known  
And what you plan to do with your foolish pride  
When you're all by yourself alone  
Once you tell somebody the way that you feel  
You can feel it beginning to ease  
I think it's true what they say about the squeaky wheel  
Always getting the grease Better to shower the people you love with love, yes and  
Show them the way that you feel, I know  
Things are gonna be just fine if you only will, what I like to do to you  
Shower the people you love with love  
Show them the way that you feel  
Things are gonna be much better if you only will (Shower the people you love with love), yeah  
(Show them the way that you feel), oh yeah (Shower the people you love with love)  
Show them the way that you feel (Shower the people you love with love) You'll feel better right away  
Don't take much to do  
Sell you pride (Shower the people you love with love)  
Show them the way that you feel They say in every life  
They say the rain must fall  
Just like pouring rain  
Make it rain  
Make it rain  
Love, love, love is sunshine  
Oh, oh yes  
Make it rain  
Love, love, love is sunshine  
Yeah, all right

Everybody, everybody, everybody, everybody
