## The Burning Hotels

If I Could Stop Time  
I'd Frame Your Glass Pose  
Tied To Your Shadow  
I'm Over Exposed  
Counting Your Breathing  
With Quiet Control  
Watching You Drowning  
I Slowly Let Go  
I'm Giving You Shade  
From What You Don't Know  
You've Made Some Mistakes  
Just Keep Your Eyes Closed  
Planning Out Endings  
I Thought You'd Enjoy  
With One Thing In Mind  
The Love You Destroyed  
You Are Not Enough  
You Are Not Enough  
You Can't Modify

The Masterpiece I've Set In Motion  
If You Try I'll Multiply  
My Heart Breaking Devotion  
Sparks Burn Behind You  
Your Silhouette Glows  
Blindness Reminds You  
You'll Never Grow Old  
Memorize Your Last Sunset  
It's Fading Fast And Getting Wet  
Last Goodbyes Have Been Revised  
You Can't Decide Who's Qualified  
Don't Be Afraid Of  
What You Understand  
Always Be Jealous  
Of Others Who Can't  
You Are Not Enough  
You Are Not Enough
