

# Will You Be There (In the Morning)

## Heart

I'm lying beside you, just thinking about us  
Too tired to go to sleep, I'm too much in love  
I know I'm crazy but I can't close my eyes  
I'm scared you won't be there in the morning when I rise Will you be there?  
Now who do you dream about are you alone in your sleep?  
To who will you reach out?  
Oh, let it be me Now baby, you're my obsession, my addiction, my drug  
Don't want to be without you when I wake up, oh no Will you be there in the morning?  
Will you be there when I want you?  
Will you be there when I wake up?  
I need you to be there in the morning  
Will you be there? Now you're so close to me but I feel so alone  
The more that I touch you, the more I want  
Don't know what to do about me loving you  
But I pray to God that you feel it too Now baby, you're my obsession, my addiction, my drug  
So let the candle grow into a great fire of love, oh yeah Will you be there in the morning?  
Will you be there when I want you?  
Will you be there when I wake up?  
I need you to be there in the morning I wanna love you forever  
Don't want a love that's now or never  
Can't you see you got me down on the floor  
I want more, more Will you be there in the morning?  
Will you be there when I want you?  
Will you be there when I wake up?  
Will you be there in the morning?  
Will you be there? Will you be there when I want you?  
Will you be there when I wake up?  
Will you be there in the morning? Will you be there when I want you?  
Will you be there when I wake up?  
Will you be there in the morning?
