# Make Me Fall

## Chrisette Michele

Lonely at night without my boyfriend
I'm not afraid to say it, yeah I need my boyfriend, yeah
Better when I'm baby daddy girlfriend
That's the way it goes, my baby knows
Yeah I play it cool but I be feining
When my baby be having what I be needing
Know I hate it every time that he be leaving
I'm inseparable, my baby knowsYou got me, I'm attached, you're stuck with me now
Don't you leave, my love's so high, ain't coming down
You shoulda known better, didn't make me fall, didn't make me fall
You shoulda known better, didn't make me fall, didn't make me fall
I been waiting for the day he see me
Practising my sexy, yeah I wanna make him need me, yeah
I been walking past you over there
No that I got you, never passing you again, baby baby
That's the kind of love that's everlasting, stand the test of time
Watch the crack, you don't have to open that
Sleeping Beauty, call me Cinderella
Fairy tale, I'm Snow White forever, your love at the endYou got me, I'm attached, you're stuck with me now
Don't you leave, my love's so high, ain't coming down
You shoulda known better, didn't make me fall, didn't make me fall
You shoulda known better, didn't make me fall, didn't make me fall
I need you, you need me
Don't lie
It's crazy but so real
You shoulda knownYou shoulda known better, didn't make me fall, didn't make me fall
You shoulda known better, didn't make me fall, didn't make me fall
