Chewin' The Fat

Airbourne

Her loving is wild
Her loving is sweet
Like candy to a child
She knows what I need
With love and pain
She left me red and raw
I was aching for days
Now I'm back at your door
Back for more, back for more
Chewing the fat, yeah, yeah
Baby, you know where it's at, yeah, yeah
Keep on chewing the fat, yeah, yeah
Honey, you know where it's at tonight
Satisfaction
Treats me like a king
Yeah, she's my little princess
For her I'd do anything
Now I gotta say goodbye
Time to hit the road
But next week she'll be mine
To help me loosen that load
To loosen that load, don't you know
Chewing the fat, yeah, yeah
Baby, you know where it's at, yeah, yeah
Keep on chewing the fat, yeah, yeah
Honey, you know where it's at tonight
Satisfaction
Treats me like a king
Ooh, my little princess
I'm gonna do everything to you
With the love and pain
You left me red and raw
I was aching for days
Now I'm back at your door
Back for more, back for more
Chewing the fat, yeah, yeah
Baby, you know where it's at, yeah, yeah
Keep on chewing the fat, yeah, yeah
Honey, you know where it's at

Chewing the fat, yeah, yeah
Baby, you know where it's at, yeah, yeah
Keep on chewing the fat, yeah, yeah
Honey, chewing the fat tonight
