Given Thing

Dutch Uncles

I'm trying to get on time
I'm trying to say please
Take what you needI'm trying to say
It's a given thing
There's nothing left
When the shadows speak
I could save a dream
Could you save my enemy?
Don't tell me I am wrong
Just tell me I got to hold up
I beat up the time
Don't you take it too long
I beat up the time
Don't you take it too longJust tell me where you go
Cause you leave me alone
Just tell me where you go
Cause you leave me aloneI'm trying to get on time
I'm trying to say please
Take what you needI beat up the time
Don't you take it too long
I beat up the time
Don't you take it too long
Just tell me where you go
Cause you leave me alone
Just tell me where you go
Cause you leave me alone
