My Love

Sia

My love, leave yourself behind
Beat inside me, leave you blind
My love, you have found peace
You were searching for releaseYou gave it all into the call
You took a chance and
You took the fall for usYou came thoughtfully
Loved me faithfully
You taught me honor
You did it for meTonight you will sleep for good
You will wait for me, my loveNow I am strong, you gave me all
You gave all you had
And now I am homeMy love, leave yourself behind
Beat inside me, leave you blind
My love, look what you can do
I am mending, I'll be with youYou took my hand and added a plan
You gave me your heart
I asked you to dance with meYou loved honestly
Did what you could release
Ah, oohI know in peace you go
I hope relief is yoursNow I am strong, you gave me all
You gave all you had
And now I am homeMy love, leave yourself behind
Beat inside me, I'll be with you
