

It Was so Beautiful

Annette Hanshaw

Night time found us, happiness around us
Churchbells ringing, day is done
They'll be ringing when we're one

Evening blessing, you and I caressing
Music, moonlight, melody
Only there for you and me

It was so beautiful, so wonderful
So gorgeous, so divine
And you were mine, you were mine
It was so beautiful, so marvelous
The stars above us shone
We were alone, we were alone

The time was right, the moon was low
I held you tight, how could I let you go?
It was so beautiful, so wonderful
So gorgeous, so divine
And you were mine, you were mine

It was so beautiful, wonderful, gorgeous, so divine
It was so beautiful, it was so wonderful
Beautiful, marvelous, the stars above us shone
It was so beautiful, we were alone

The right was right, the moon was low
And I held you tight, so how can I let you go?
It was so beautiful, so wonderful,
So gorgeous, so divine
It was so beautiful and you were mine
