

# Shoulda

## Hinder

Before I hung up the phone all I could hear  
Was the dial tone ring in my ear  
If I could go back in time  
I'd say those three words  
I shoulda, woulda, coulda said it back to you And this can't be saved if you can't be found  
You hung up and left me for dead on the ground  
You didn't even say goodbye  
I shoulda, woulda, coulda said it back to you  
Shoulda, woulda, coulda said it back to you Now that you're gone I'm wasting away  
The life has been siphoned right out of my veins  
If I could go back in time  
I'd say those three words  
I shoulda, woulda, coulda said it back to you And this can't be saved if you can't be found  
You hung up and left me for dead on the ground  
You didn't even say goodbye  
I shoulda, woulda, coulda said it back to you  
Shoulda, woulda, coulda said it back to you When you said those three words  
I kinda freaked out  
When you said them first my jaw hit the ground Shoulda, woulda, coulda said it back to you  
Shoulda, woulda, coulda said it back to you  
And this can't be saved if you can't be found  
You hung up and left me for dead on the ground  
You didn't even say goodbye And this can't be saved  
And this can't be saved  
If you can't be found  
If you can't be found  
And this can't be saved  
I shoulda, woulda, coulda said it back to you  
Shoulda, woulda, coulda said it back to you
