Grim Skunk

Me dijeron que andabas bien baracho
Re te bien, re te bien gacho! -- Parece que planabas otra ves
Tus ojitos de idiotita tan perdido
Ay que gasto! -- Desperdicio! Despilsarro!
Ademas de tu vida que te empeas en desirme
Que la culpa no es la tuya! -- Que la culpa es la mia?
Que averte sin moberte tan botado
Pobre imbecil! -- Los aos van a pasar
Y un dia reventir...Take a good look at yourself and tell me what you see
You're just another wasted youth on PCP
You're drooling on yourself, you got snots on your face
You can't walk straight you're falling all over the place
I don't give a damn. It's your life, it's your right
Yer part of a generation with no future in sight
Yer tripping, yer slipping, yer fuckin' up your mind
Stay away from me man 'cause I hate your fucking kindYou're on dope, there's no hope. Strung out again you are fuckin' up big time
Lost in space what a waste. You're falling on your face again frosted flake
Can't you see look at you, where will you end up, I don't know
It's your life, it's your trip.
And you're doin' nothing of your goddamn mind
That's right, your goddamn mind -- Skank up!You're all stupid and pathetic cause you blew your fuse
Now there's no turning back, there's no use
You think you're a rebel but you're just a clown
Keep on doing that shit you're going down, down, down
Raping yer mind turning into vegetable matter
Doing nothing except making your dealer's ass fatter
No stash, no cash. So cocks you will blow
I'm gonna love saying this but I told you so
