Gameover (acoustic)

OZMA

You're hot, stop and drop and roll
I'll jump in the swimming hole
So I can hear your cheers
I've seen all the episodes
I know all the secret codes
So where I go I don't need roads
I'm flying over
OverI'll fly right over
2P, you take my control
Teach me how to rock and roll
Or I'll fall down and die
I betcha don't know where to find (extra extra)
Our extra life times 99
I know you tried but still we died
Our game is overOver
This love is over
Reset, can't reset the tears
So sad, princess isn't here
She's making out with all my fears
