

My Arms Keep Missing You

[Rick Astley](#)

You know I've been so lonely every night since you went away
Would you let me down any night, is that the way you're made, girl? I keep telling myself it's alright even
though I cry
There's no question why, how could I be happy when my arms keep missing you, who's been kissing you since
you went away?
My arms keep missing you, I keep wishing you come back today You said, you wouldn't hurt me any way and I
believed in you
We said we'd trust each other every day, we'd never be untrue But I keep thinking you're telling lies even
though I try
There's no question why, how can I be happy when my arms keep missing you, who's been kissing you since
you went away?
My arms keep missing you, I keep wishing you come back today You know I've been so lonely every night
since you went away
Would you let me down any night, is that the way you're made, girl? I keep telling myself it's alright even
though I cry
There's no question why, how could I be happy when my arms keep missing you, who's been kissing you since
you went away?
My arms keep missing you, I keep wishing you come back today My arms keep missing you, who's been kissing
you since you went away?
My arms keep missing you, I keep wishing you'd come back today
My arms keep missing you, who's been kissing you since you went away?
