

# I Didn't Know

## George Thorogood And The Destroyers

I was alone thinking I was just fine  
I wasn't looking for anyone to be mine  
I thought love was just a fabrication  
a train that wouldn't stop at my station  
Home alone, that was my consignment  
solitary confinement  
so when we met I was scirtling around you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
I didn't know I was looking for love  
Cause there you stood, and I would  
Oh, I wonder, could I say how I felt  
and not be misunderstood  
A thousand stars came into my system  
I never knew how much I missed them  
Slap on the map of my heart you landed

I was coy but you made me canded  
and now the planets circle around you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
until I found you  
I didn't know I was looking for love  
I didn't know I was looking for love  
So we built from here with love  
the foundation  
in a world of tears  
one consolation  
and now your here  
there's a full brass band  
playing in me like wonderland

And if you left I'd be 2 foot small  
and every tear would be a waterfall  
soundless, boundless I surround you  
I didn't know I was looking for love  
until I found you
