If I'd Known

Bria Blessing

Magic
Uh, Nb ridaz (only if i'd known)
With the homie Marcos (how much you loved me and i loved you)
Yeah, come on..
if i'd only did then what i now know we would
Have kids, our home of our own
I know
What i did but i didn't show
Could get you, to stay..
If i'd only did then what i now know
I'd be with you until we grown old
Saying, i love you, never let you go
But only if i'd known
It was late that night when it wasn't right to do what i did to fuss and fight
I need to say, okay, i'm sorry for being mad at you some way
I crossed the line with you and pushed the buttons when i wasn't suppose to
So what can i do (what can i do baby)
I don't want to lose you
Your pain, your hurt, it's my rage, my burnt
It's insane, i've learned from mistakes i made from life
So long since i have seen you
I need to be with you so i will do what you want me to
if i'd only did then what i now know we would
Have kids, our home of our own
I know

What i did but i didn't show
Could get you, to stay..
If i'd only did then what i now know
I'd be with you until we grown old
Saying, i love you, never let you go
But only if i'd known
I wish i would have known what you felt about things
I must've just forgotten what you really meant to me
It's been so quiet and lonely in this place
I need to hear that you miss me and that your coming home today
I miss your lips, your touch like the flowers miss the sun
It's cloudy on me
Oh please take this guilt away from me

Your pain, your hurt, it's my rage, my burnt
It's insane, i've learned from mistakes i made from life
So long since i have seen you
I need to be with you so i will do what you want me to
if i'd only did then what i now know we would
Have kids, our home of our own
I know
What i did but i didn't show
Could get you, to stay..
If i'd only did then what i now know
I'd be with you until we grown old
Saying, i love you, never let you go
But only if i'd known..
