Turnip Farm

Dinosaur Jr.

Come on with me, tell me all about it
Come on with me, tell me all about it
Come on with me and tell me all about itI needed to feel you there oh, you'll doubt it
Come on with me, tell me all about it
Come on with me, tell me all about it
Come on with me and tell me all about itI needed to feel you there, oh, you'll doubt it
Just come on with me, tell me all about it
Come on with me, tell me all about itPlease don't leave me not like this
What about all that we'll miss
Done it all and what a waste
I don't want this rage misplacedPlease don't leave me, not just yet
'Cause it's brutal, can't forget
Nothin' else we could have done
Still it's killin' me you're goneWell, come on with me, tell me all about it
I needed to feel you there oh, you'll doubt it
Come on with me and tell me all about itI needed to feel you there never doubt it
Just come on with me, tell me all about it
Come on with me, tell me all about it
Come on, come on
