Rhythm Nation

The Hummers

With music by our side
To break the color lines
Let's work together
To improve our way of lifeJoin voices in protest
To social injustice
A generation full of courage
Come forth with mePeople of the world today
Are we looking for a better way of life?
We are a part of the rhythm nationPeople of the world unite strength in numbers
We can get it right one time
We are a part of the rhythm nationThis is the test
No struggle no progress
Lend a hand to help
Your brother do his bestThings are getting worse
We have to make them better
It's time to give a damn
Let's work together, come on nowPeople of the world today
Are we looking for a better way of life?
We are a part of the rhythm nationPeople of the world unite strength in numbers
We can get it right one time
We are a part of the rhythm nationPeople of the world today
Are we looking for a better way of life?
We are a part of the rhythm nationPeople of the world unite strength in numbers
We can get it right one time
We are a part of the rhythm nationRhythm nation
(Sing it people, say it different)
(Sing it if you want a better way of life)Rhythm nation
(Sing it people, say it different)
(Sing it if you want a better way of life)Everybody sing
People of the world today
Are we looking for a better way of life?
We are a part of the rhythm nationPeople of the world unite strength in numbers
We can get it right one time
We are a part of the rhythm nationPeople of the world, today
Are we looking for a better way of life?
We are a part of the rhythm nationPeople of the world unite strength in numbers
We can get it right one time
We are a part of the rhythm nationRhythm nation, rhythm nation
