

Crazy Ridiculous

CoCo Lee

I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous
I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous Feel me, touching you
Don't want it? Can't you feel it like I do?
Your body with my body giving me the thing I desire
You are my world, make me your baby girl I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous
I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous You got to see me, feeling, acting like a fool
You are my drug, I won't stop until I am next to you
Your body with my body giving me the things that I desire
You are my joy, come to me, baby boy Can't you just see it baby?
You and me?
Together, finally, forever I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous
I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous
I can't wait to get my hands on you
It's gonna be so sick, crazy ridiculous
