

# Please Accept My Love

## Jimmy Thackery

I don't even know your name,  
But I love you just the same.  
Darling let me hold your hand,  
Til I know you understand.

If you only, only knew,  
Just how much I love you,  
Loving you the way that I do,  
you'd take tonite to love me too.

### Chorus

How like thee picture of the world  
Please don't let me fall  
Its my heart I'm thinking of,  
So want you please, please, please  
accept my love.

If you let me be your slave,  
Your love I'll cherish til my grave.  
And if you die before I do,  
I'll end my life to be with you

### Instrumental
