

Wanna Get Up

Jeremih

Ayy, ayy, ayy
Ayy, ayy, ayy She say she wanna get up
And play the game like me
Wanna spend some vital time
Try to keep it low key And wanna get up
So we can stay up all night
She fell in love with my ride She textin' me like Jeremih
I wanna chill, I wanna ride
She lucky I can't deny
She loved to be so mesmerized
