

# A Matter of Time

## Foo Fighters

Let's change the subject to someone else  
You know lately I've been subject to change  
Normally I reel in the strange  
Hangover, I'm older You're one to talk, the heart is a clock  
Just like a bomb it keeps on ticking away  
Counting down to detonate  
You will need  
An army  
To summon me It doesn't matter much to me  
If it doesn't matter much to you (ooh)  
It doesn't matter much to me  
If it doesn't matter much to you It's just a matter of time (before, before)  
It's just a matter of time (before, before)  
And though I hate to rewind (before, before)  
It's just a matter of time My past is getting us nowhere fast  
I was never one for taking things slow  
Nowhere seems like somewhere to go  
Come over, and over Doing my time for line after line  
And when I learn this sing these crimes to myself  
Prisoners to share a cell with  
I'm holding  
Still holding  
Holding it well It doesn't matter much to me  
If it doesn't matter much to you (ooh)  
It doesn't matter much to me  
If it doesn't matter much to you It's just a matter of time (before, before)  
It's just a matter of time (before, before)  
And though I hate to remind (before, before)  
It's just a matter of time Where the hell were you? (ooh)  
Where the hell were you? (ooh)  
Where the hell were you? It's just a matter of time (before, before)  
It's just a matter of time (before, before)  
And though I hate to rewind (before, before)  
It's just a matter of time What does it matter now?  
What does it matter now? What does it matter now?  
What does it matter now?  
It's just a matter of time Time
