

# Radioactive (The Flexican Remix)

Rita Ora

Palms to the sky  
We unite  
I feel it, I feel it, feel feel it  
We rise tonight I'm checking you out in your sweet desire  
I'm coming over to make you mine  
It's a crime boy, you're so fine  
I'm taking you out, boy, it's a green light  
I'm glad you came over, it was about time  
It feels right, boy you're so fine This goes radioactive  
Drop the ball, let me feel the beat  
This goes radioactive  
Drop the ball, let me feel the beat Palms to the sky  
You know, I feel it, I feel it, feel feel it  
We rise tonight  
Palms to the sky  
We unite, I feel it, I feel it, feel feel it  
We rise tonight Moving on me as the world ends  
This nuclear heat is a beautiful air  
You might not live to tell This goes radioactive  
Drop the ball, let me feel the beat  
This goes radioactive  
Drop the ball, let me feel the beat Palms to the sky  
You know, I feel it, I feel it, feel feel it  
We rise tonight  
Palms to the sky  
We unite, I feel it, I feel it, feel feel it  
We rise tonight Palms to the sky  
You and I  
Palms to the sky  
You and I  
Palms to the sky  
You and I  
We rise tonight Palms to the sky  
You know, I feel it, I feel it, feel feel it  
We rise tonight  
Palms to the sky  
We unite, I feel it, I feel it, feel feel it  
We rise tonight We unite, you and I are right tonight  
We unite, you and I are right tonight

We unite, you and I are right tonight  
You and I are right tonight
