

Still In Love

Girlicious

Kingston Kingston!
1, 2, 3 And I'm still in love Girlicious I hope y'all ready, let's go! Thinkin' about you, and me
I don't know what to do, about us baby
I'm missin' you like ice on my finger,
Snow in the winter
I ain't got nothing to do but cry, cry on my pillow Now I already kissed on Bobby
I already checked on Trent
I'm already done with Tommy
And I'm already through with Brent
Now I wonder where you went
Baby I gotta tell you that I'm still
Still in love I'm still in love
(I'm tellin' you straight up)
Still in love
(I can't believe we could break up)
I'm still in love
(Can we get, can we get back to it,
Can we get, can we get back)
Cause I'm still in love
Still in love Thinkin' bout your kiss, so long
But the problem is, your lips are long gone
Baby can we forget about this messin'
Let's thinkin' about the present
I'm tired of you stressin'
I just want you to be my baby, once again I already thought about Brian
And I've already seen about James
And I know you heard about me tryin'
To rekindle my old flames
And every time I think I can
I hear something about you and I'm like damn
Damn, damn,
Cause I'm still in love
(I'm tellin' you straight up)
I'm still in love
(I can't believe we could break up)
I'm still in love
(Can we get, can we get back to it,
Can we get, can we get back)
Cause I'm still in love

Still in love Girl you got me goin' crazy,
Thinkin' bout you every day
(Everyday)
The feelings that I have for you
Baby they will ever go away
(Go Away)
Girl I'm still love
No matter what them all say
(Them all Say)
You got me so caught up
So baby just come my way I'm tryin', I'm tryin',
But I'm lyin', I'm lyin'
Cause I'm cryin', I'm cryin', I'm dyin'
Without you there's nobody, nobody, nobody
That moves me like you do
Oh boy you know I'm still in love I'm still in love
(I'm tellin' you straight up)
Still in love
(I can't believe we could break up)
I'm still in love
(Can we get, can we get back to it,
Can we get, can we get back)
Cause I'm still in love
Still in love I'm still in love
(I'm tellin' you straight up)
Still in love
(I can't believe we could break up)
I'm still in love
(Can we get, can we get back to it,
Can we get, can we get back)
Cause I'm still in love
Still in love
