

Long Live Politzania

Klaatu

As facts are few and far between hypothesis denies all logic as to what precisely, er, led to her demise. For what appears sheer grandiosity, no legacy remains except her crumbling ruins on which these words were found

Politzania

God save PolitzaniaNow these ancient Politzanians as far as archeologists have traced had most thoroughly convinced themselves they were a superior race. Quite a ridiculous notion, granted, however if we assume her sister rivals rose to quell such monstrous claims, I most humbly submit her unpleasant end is satisfactorily
