

# Doubt

## Kitten

Lost  
sinking with the daylight sun  
turn it on  
faded with the picture gone Dream  
swim across the parted sea  
swim across and conquer me  
would you like to see me on my knees I saw the light  
maybe that's the truth  
these are tears I cry  
all I want is you  
I got you dead to rights  
that's the meaning of love  
like a thief in the night when my baby comes  
I've been waiting for you  
night and day do you feel loved  
I've been patient  
but you should figure it out  
because now you're leaving a shadow of doubt Let's dance  
in any other circumstance  
we'd be halfway gone  
but now you want to take a chance Dream  
remembering where he touched me  
remembering it's your machine  
sanctuary on my knees  
I saw the light  
and maybe that's the truth  
I've got 16 years  
the eloquence of youth  
I've got you dead to rights  
that's the meaning of love  
these are the tears I cry  
until my baby comes Dream  
remembering where she touched me  
remembering it's your machine  
sanctuary on my knees I've been waiting for you  
night and day do you feel loved  
I've been patient  
but you should figure it out  
because now you're leaving a shadow of doubt I've been waiting for you

down here waiting for your love  
I've been patient and now I figured it out  
and there isn't a shadow of doubt
