

Broken

Digital Summer

I'd give you the world,
If it would mean anything
Despite your reaction,
I can't help but believe
That maybe inside,
You feel the same
I'm killed by the question,
That surrounds your name

Do you feel
The way I do?

So break my wings,
And watch me fall
Cause I'm broken,
But look at you
And if I cut myself
Would you bleed too?
Would you feel everything I do?
Would you feel the way I do?

I'm falling apart
It like so hard to see,
I didn't give you my heart
You just took it from me
This feeling of anger,
It just won't go away
I'd give anything
Just to hear you say

Do you feel
The way I do?

So break my wings,
And watch me fall
Cause I'm broken,
But look at you
And if I cut myself
Would you bleed too?
Would you feel everything I do?

Would you feel the way I do?

Would you feel the way I do?

Can you feel it inside yourself?

What would you feel?

Would you feel it in your heart?

Can you feel this inside

The pain that won't go away

So break my wings,

[Break, break, break]

And watch me fall

I'm broken,

But look at you

And if I cut myself

Would you bleed too?

Would you feel everything I do?

Would you feel the way I do?

Would you feel the way I do!
