

# We Don't Need It (Ft. Trife & Lil Cease)

## Lil' Kim

Yeah, uh, fuck that yo I want some pussy tonight  
I think I want to fuck my bitch Goldie and shit  
Only because she got some money for me and shit  
I think about fucking her And go fuck my other bitch that live in fucking big houses  
I don't know what the fuck I'm gonna do but check it  
How you spell cash? See's and some hash  
At last a nigga kicking game full blast How you want it, diamonds or dime-elles  
Jansport book bags and bags from Chanel  
And Seebeeaki, smelling up my Kawasaki  
Jawns by Versace all them joints by Jockey Clock me workin real hard for a nickel  
He drive a tricycle and his pants too little  
And his shoes too little  
Won't you get with the clique with the big ass dicks That make sure your kicks fit  
The real shit, true, balla pack steel shit  
The nigga with, the movie and the mill shit  
Mass appeal get me in the clubs for free So all you got to do for me is just  
Make your way to my king sized bed  
And lie on my pillows and my Gucci bed spread  
Keep the pussy out the other man's bed  
Just gimme some head, gimme some head [Chorus]  
If you ain't suckin' no dick we don't need it, we don't need it  
If you ain't lickin' no clits, we don't want it, we don't want it  
If you ain't drinkin' no nut, we don't need it, we don't need it  
If you ain't lickin' no butts, we don't want it, we don't want it Some bitches do and some bitches don't  
Ride a dick until he brush it I know I won't  
Niggas cum too fast for me  
A waste of a good dick if you ask me I like a nigga like to put his back in it  
If it's a weave fuck around and pull a track in it  
All I get, few strokes that's it  
This bomb ass shit's got your cigarettes lit Who me, forced to use plan be masturbate, play with the pussy  
This nigga here bust off snorin'  
He straight, I knew this date would be borin'  
I want to wake him up to do his duty Nigga use that tongue, click the booty, click the booty  
You want to steal the pussy like a thief  
Now I'm kissing lips without the teeth  
So I could bust a nut or two come clean like Jeru  
Goodnight to you too boo [Chorus] Nine out of ten women, want to spit, on the skin of Blake Carrington  
But I need much more to get raw, dick to jaw, dick to jaw  
You drinkin' babies, don't want to hear baby strictly (yes boo)

Well if he cum up on your chest slow  
If not then your not down with me  
Little Caesar, Van Clef, or B.I.G.  
Capone, Nino, or Bugsy  
Don't ask Kim for a date, she want her pussy ate [Chorus]
