

# Photosynthesis (Truck Session)

Frank Turner

Well I guess I should confess that I am starting to get old  
All the latest music fads all passed me by and left me cold  
All the kids are talking slang I won't pretend to understand  
All my friends are getting married, mortgages and pension plans  
And it's obvious my angry adolescent days are done  
And I'm happy and I'm settled in the person I've become  
But that doesn't mean I'm settled up and sitting out the game  
Time may change a lot but some things may stay the same And I won't sit down  
And I won't shut up  
And most of all I will not grow up  
And I won't sit down  
And I won't shut up  
And most of all I yeah I won't grow up Oh maturity's a wrapped up package deal so it seems  
And ditching teenage fantasy means ditching all your dreams  
All your friends and peers and family solemnly tell you you will  
Have to grow up be an adult yeah be bored and unfulfilled  
Oh when no ones yet explained to me exactly what's so great  
About slaving 50 years away on something that you hate  
Look I'm meekly shuffling down the path of mediocrity  
Well if that's your road then take it but it's not the road for me And I won't sit down  
And I won't shut up  
And most of all I will not grow up  
And I won't sit down  
And I won't shut up  
And most of all I yeah I won't grow up  
And I won't sit down  
And I won't shut up  
And most of all I will not grow up And if all you ever do with your life  
Is photosynthesize  
Then you deserve every hour of these sleepless nights  
That you waste wondering when you're gonna die Now I'll play and you sing  
The perfect way for the evening to begin  
Now I'll play and you sing  
The perfect way for the evening to begin And I won't sit down  
And I won't shut up  
And most of all yeah I won't grow up  
And I won't sit down  
And I won't shut up  
And most of all I will not grow up

And I won't sit down  
And I won't shut up  
And most of all I will not grow up
