

Good Morning Judge

Ronnie Ross

Well
good morning Judge
how are you today?
I'm in trouble please put me away
a pretty thing took a shine to me
I couldn't stop her so I let it be I couldn't stop her so I let it be I couldn't stop her so I let it be I couldn't stop her
so I let it be. He didn't do it
he wasn't there he didn't want it
he wouldn't dare.
Well good morning Judge
yes I'm back again I'm in trouble so it's back to the pen I found a car but I couldn't pay
I fell in love and I drove it away I fell in love and I drove it away I fell in love and I drove it away I fell in love
and I drove it away. He didn't do it
he wasn't there he didn't want it
he wouldn't dare.
I didn't do it
I wasn't there
I didn't want it
I wouldn't dare. Alcatraz is like a home sweet home
I'm so wanted and I'm never alone
San Quentin is the place to be
I'm so happy and I don't wanna be free So happy I don't wanna be free so happy I don't wanna be free so happy I
don't wanna be free
