

# How Could an Angel Break My Heart

**Toni Braxton**

I heard he sang a lullaby  
I heard he sang it from his heart  
When I found out thought I would die  
Because that lullaby was mine  
I heard he sealed it with a kiss  
He gently kissed her cherry lips  
I found that so hard to believe  
Because his kiss belonged to meHow could an angel break my heart  
Why didn't he catch my falling star  
I wish I didn't wish so hard  
Maybe I wished our love apart  
How could an angel break my heartI heard her face was white as rain  
Soft as a rose that blooms in May  
He keeps her picture in a frame  
And when he sleeps he calls her name  
I wonder if she makes him smile  
The way he used to smile at me  
I hope she doesn't make him laugh  
Because his laugh belongs to meHow could an angel break my heart  
Why didn't he catch may falling star  
I wish I didn't wish so hard  
Maybe I wished our love apart  
How could an angel break my heartOh my soul is dying, it's crying  
I'm trying to understand  
Please help meHow could an angel break my heart  
Why didn't he catch my falling star  
I wish I didn't wish so hard  
Maybe I wished our love apart  
How could an angel break my heart
