

Thank You

Duran Duran

If the sun refused to shine
I would still be loving you
And mountains crumble, to the sea
There will still be you and me
Kind woman, I give you my all
Kind woman, nothing more
Little drops of rain, whisper all the pain
Tears of love lost in the days gone by
Our love is strong
With you there is no wrong
Together we shall go until we die
Inspiration is what you are to me
Inspiration, love to see
And so today, my world it smiles
Your hand in mine, we walk the miles
Thanks to you it will be done
You to me are the only one
Happiness, no longer sad
Happiness, I'm glad
If the sun refused to shine
I would still be loving you
Mountains crumble, into the sea
And would still be you and me
