Never Wanted

Metronomy

Never wanted, never neededâ€¨
You said honey, best be leavingâ€¨
If you want, I'll pack a bagâ€¨
Foreign money, in your handâ€¨
In your hand babyTube of tooth paste, facial cleanser
Bar of soap and moisturizerBut it gets betterâ€¨
But it gets betterNever wanted, never neededâ€¨
You said honey, how you feeling?â€¨
Hotel pillows, worth a tryâ€¨
If you want me, swing on byâ€¨
Swing on by babyMini bar with, many choicesâ€¨
Bedside table, distant voicesBut it gets betterâ€¨
But it gets betterDoes it get better?
Does it get better?
Does it get better?Never wanted, never neededâ€¨
You said honey, best be leavingâ€¨
If you want, I'll pack a bagâ€¨
Foreign money, in your handâ€¨
In your hand baby
